The Mile High One-Mile Challenge

7th Annual | Friday, June 4, 2027
Colorado Rifle Club, Byers, Colorado

10 scored shots	1,760 yards	7 minutes

Equipment limit

Maximum permitted cartridge: .338 Lapua Magnum.

Firing line and clock

Two shooters share the firing line. One shoots while the other prepares, then they switch. Each shooter has seven minutes total for up to two warm-up opportunities and a 10-shot scored string at 1,760 yards. The seven-minute clock continues throughout.

Warm-up hit option

If either warm-up shot is a confirmed hit, the shooter may immediately elect to bank it as Scored Shot 1. Make that choice before firing again. The scorekeeper confirms that the next shot is Scored Shot 2. Banking the first warm-up hit forfeits the second warm-up opportunity. A missed warm-up cannot be scored. If no warm-up hit is banked, the 10-shot scored string begins after the warm-up attempts.

Scoring

The highest hit total wins. The competition field is limited to 25 competitors.

Podium tie-breaks

Ties for first, second or third are settled by a shoot-off at a smaller target one mile away. Each tied shooter fires one shot per round, with one minute to take the shot. A hit ranks ahead of a miss. Repeat one-shot rounds until the podium places are settled.

Event-day schedule

Check-in and equipment staging: 7:00-7:30 AM. Safety briefing: 7:30-7:50 AM. Competition begins: 8:00 AM. Lunch, awards and dogs: noon. The event concludes by 2:00 PM, including lunch and awards. All times are Mountain Time.

Optional preparation

Two optional training days are planned. Dates and details will be announced. Training days are separate from the competition and are not required to participate.
